MEMORANDUM

SUBJECT: Executive Council Meeting on 25 March 1975

Mr. Proctor chaired. Substituting were Messrs. Devlin,

[REDACTED]

1. There were four security violations within the DDI during February. The total so far this year is much lower than last year. Mr. Proctor urged Office Directors not to let up.

[REDACTED]

3. The Agency is registering disapproval of a draft revision of Executive Order 11652 that would permit appeals to the interagency review committee of decisions by the Agency review committee against release of documents. DDO argues that the interagency group is not qualified to pass judgment on sensitive CIA reports.

[REDACTED]

5. Mr. Proctor said that the Rockefeller Commission staff is obviously conducting a very thorough investigation. In examining the CRS ready reference file, the investigators will want to know which Agency components have requested certain information.

6. [redacted] article [redacted] caused [redacted] some consternation. Mr. Proctor said that in reviewing manuscripts for outside publication, we should consider not only quality and whether classified material is revealed, but also the propriety of a US official commenting on the subject. We should also consider the publication for which the article is intended.
